## How to select Texas Children's Health Plan

Primary Care Providers  
Proveedores de Cuidado Primario

**Step 1** Find your enrollment form.

**Step 2** Write Texas Children's Health Plan under "Health Plan Name" as your 1<sup>st</sup> choice for each person being covered.

**Step 3** Pick a main doctor.

- Find your doctor listed in the pages marked with the **ORANGE** tabs.
- Then under "Primary Care Provider Name" write the name of your 1<sup>st</sup> and 2<sup>nd</sup> choice for doctors for each person being covered.
- If you are having trouble finding your doctor, call us at 1-800-659-5764 or 832-828-1003.

**Step 4** Fill out the rest of the form. Make sure you sign and date it. Mail it in the return envelope that was provided.

### Tips for picking a provider

- Look for your current doctor in the Index of Primary Care Providers at the back of this book. If you can't find your doctor, call us and we will help you. We add doctors all the time.
  - If you are picking a new doctor, we have them listed by city. Look for things like special hours or languages spoken. Many of our doctors offer after-hours appointments.
  - You may pick a clinic as your doctor. Look under the **ORANGE** tab for a list of clinics.
  - You will need to have a doctor or provider written on the enrollment form for each family member being covered, even if it is the same for all.
  - If you are dual-eligible for both Medicare and Medicaid, you choose your main doctor. We do not assign one to you. Let your service coordinator know if you would like to stay with your current Medicare doctor.
- Members with life-threatening, degenerative, or disabling diseases or conditions can also choose a specialist as their main doctor. The specialist must meet the same requirements as a main doctor. Your personal care plan must then reflect that a specialist is serving as your main doctor.

## Como elegir a Texas Children's Health Plan

Primary Care Providers  
Proveedores de Cuidado Primario

**Paso 1** Encuentre su forma de inscripción.

**Paso 2** Escriba Texas Children's Health Plan en el cuadro "Health Plan Name" como su primera preferencia para cada persona cubierta.

**Paso 3** Seleccione a un médico principal.

- Encuentre a su médico en las páginas con cejas **ANARANJADAS**.
- Después, bajo "Primary Care Provider Name," escriba el nombre de su primera y segunda preferencia de médicos para cada persona cubierta.
- Si tiene problemas para encontrar a un médico, llámenos al 1-800-659-5764 o 832-828-1003.

**Paso 4** Llene el resto de la forma. Asegúrese de firmarla y anotar la fecha. Envíela en el sobre adjunto.

### Consejos para elegir un proveedor

- Busque a su médico actual en el Índice de Proveedores de Cuidado Primario, en la parte posterior de este libro. Si no puede encontrarlo, llámenos y con gusto le ayudaremos. Añadimos médicos constantemente.
- Si usted va a elegir a un nuevo médico, los hemos enumerado por la ciudad. Busque médicos que tengan horarios especiales o que hablen su idioma. Muchos de ellos ofrecen citas fuera del horario hábil usual.
- Puede elegir a una clínica como su médico. La lista de clínicas está indicada con la ceja **ANARANJADA**.
- Es necesario que para cada miembro familiar que vaya a estar cubierto, anote un médico o proveedor en la forma de inscripción, incluso si es el mismo para todos.
- Si usted es elegible tanto para Medicare como Medicaid, usted escoge a su médico principal. Nosotros no le asignaremos uno. Usted le puede comunicar a su coordinador de servicios si prefiere quedarse con su médico actual de Medicare.
- Miembros con condiciones o enfermedades que pueden ocasionar la muerte, degenerativas, o que incapacitan pueden escoger a su médico especialista como médico principal. El médico especialista debe llenar los mismos requisitos que su médico principal. Su plan personal de cuidado debe reflejar que un médico especialista está cumpliendo las funciones de su médico principal.
