

Texas Children's Health Plan

The best decision a family can make.

Prior Authorization Requirements

Below is a list of updated changes to the prior authorization list found in your provider manual and on the Texas Children's Health Plan website. These medical services require prior authorization. A check mark indicates the medical service is a covered benefit if medical necessity criteria are met and with prior authorization. All services will be subject to benefit limitations.

Please be sure to update your material by printing this memo and placing it in the appropriate section.
