

COVID MCO Notices Flexibility Updates

Updates made April 24, 2023

MCO Notices with Flexibilities to End or That Have Ended	
Flexibility Ending Aug. 31, 2023	
<p>STAR+PLUS Upgrade Process for Members Who Exited a Nursing Facility (NF) Due to COVID-19 Without Services in Place</p> <p><i>Under the federal American Rescue Plan (ARP) Act of 2021 maintenance of effort (MOE) requirements, HHSC must keep certain PHE flexibilities in place until the Texas HCBS ARP MOE period ends. With the federal PHE ending on May 11, 2023, the current ARP MOE period for Texas is scheduled to end on August 31, 2023. Therefore, the COVID-19 flexibility pertaining to the 'STAR+PLUS HCBS Upgrade Process for Members Who Exited a NF Due to COVID-19 Without Services in Place,' will end on August 31, 2023.</i></p>	<p>March 10, 2023</p>
<p>STAR+PLUS HCBS Upgrade Process for Members Who Exited a NF Due to COVID-19 Without Services in Place</p> <p><i>A notice has been issued to notify MCOs that this flexibility will end on Aug. 31, 2023. View the MCO Notice "STAR+PLUS Upgrade Process for Members Who Exited a Nursing Facility (NF) Due to COVID-19 Without Services in Place" posted March 10, 2023, for more information.</i></p>	<p>Nov. 24, 2020</p>
<p>Flexibilities Ending When Proposed Rule #22005 is Effective</p> <p>The rule is currently expected to be effective July 1, 2023</p> <p><i>HHSC has completed further analysis of clinical appropriateness and cost-effectiveness and has considered stakeholder input on the following Medicaid and CHIP flexibilities. The adopted rules are expected to publish in May 2023, and policies outlined in the rules will be effective July 1, 2023.</i></p> <p><i>The notices below will end when the rule is effective as the rule outlines what is allowed going forward.</i></p> <p><i>A new notice has been issued to provide guidance to define expectations and processes for the transition to permanent policy related to telecommunications for service coordination and assessments. The notice describes the requirements that will be detailed in those rules and described further in the Uniform Managed Care Manual (UMCM) so MCOs can prepare for implementation of the requirements.</i></p> <p><i>View the MCO Notice titled "Advance Notice of Requirements for the Use of Telecommunications for Service Coordination and Assessments" posted on March 21, 2023.</i></p>	
<p>Resumption of In Person Assessments & Service Coordination Visits: Assessment Reporting Amendments</p> <p><i>See "Advance Notice of Requirements for the Use of Telecommunications for Service Coordination and Assessments" posted on March 21, 2023." posted on March 21, 2023.</i></p>	<p>July 29, 2021</p>
