Welcome to Texas Children’s Health Plan

Thank you for choosing Texas Children’s Health Plan for your family. Texas Children’s Health Plan was founded in 1996, by Texas Children’s Hospital as the nation’s first managed care organization (MCO) created just for children. Texas Children’s Health Plan also offers services to pregnant women and members with special health care needs.

As a member, you will have access to a wide network of doctors, hospitals, and specialists providing excellent patient care. In addition, we offer exclusive benefits and rewards for our members to enjoy with their families, such as reward cards for staying on top of their health, special events, a 24-hour nurse help line, and much more.

We look forward to serving you!

This handbook will help you know how your health plan works. It tells you what to expect and how to get the most out of your coverage. It includes information on:

- How to get care when you are sick.
- How to change your doctor.
- What to do if you get sick while out of town or when your doctor’s office is closed.
- Your rights and responsibilities as a plan member.

It is important to us to keep you healthy. That is why we want you to get regular well-child checkups and immunizations. It is also important to start and keep a relationship with a primary care provider. A primary care provider can be a doctor or clinic that gives you most of your health care. You and your doctor should work together to keep you healthy and take care of you when you are not well. Here are 4 important things you need to do to get the most from your health coverage:

1. Always carry your Texas Children’s Health Plan Member ID card and Your Texas Benefits Medicaid Card with you. Your Texas Children’s Health Plan Member ID card and Your Texas Benefits Medicaid Card are the keys to getting care. Show them every time you visit a doctor, hospital, or get a prescription filled. Do not let anyone else use your card.

2. Stay focused on prevention. As a new member, you should have your first checkup within 90 calendar days after joining Texas Children’s Health Plan. Newborns should be seen by a doctor 3 to 5 days after birth. During your first visit, your primary care provider will learn about your health care needs to help keep you healthy.

3. Call your primary care provider first for non-emergency care. Always call your doctor first, unless it is an emergency. That way, they can help you get the care you need.

4. Keep this handbook and the other information in your packet for future use.

We are glad you chose Texas Children’s Health Plan. It is our pleasure to serve you. If you have any questions, please call Member Services at 866-959-2555, TTY 800-735-2989 (Texas Relay), or 7-1-1. We are available from 8 a.m. to 5 p.m. Monday through Friday. After hours, on weekends and holidays, our answering service is ready to help you and/or take your messages. A Member Services Representative will return your call the next business day.
How the Plan Works

Texas Children’s Health Plan STAR plan gives you a wide choice of doctors, hospitals, and other health services providers. We also give you the support and help you need to make the most of your plan.

Your primary care provider

What is a primary care provider?

Your primary care provider is considered your main doctor. He or she helps take care of all your health care needs. He or she keeps your medical records for you, and knows your medical history. A good relationship with your primary care provider helps you stay healthy.

How can I pick a primary care provider?

You can pick any primary care provider in the Texas Children’s Health Plan network to be your main doctor. If you have a primary care provider through another insurance, you may keep seeing your primary care provider. Each person living in your home who is a member can pick the same primary care provider or a different one. You should pick a doctor with an office location and office hours that are convenient for you.

The names, addresses, and phone numbers of primary care providers can be found in the Texas Children’s Health Plan Provider Directory.

If you like your current doctor, you can continue to see them if they are listed in the directory. If you have trouble picking a primary care provider, call us. We will be glad to help. You can request a printed copy of the Provider Directory by calling Member Services at 866-959-2555 or, you can easily search “Find a Provider” on our website: texaschildrenshealthplan.org/find-a-provider

Can a clinic be a primary care provider?

Yes. Primary care providers can be:
• Family doctors
• Pediatricians (doctors for children and adolescents)
• General practice doctors
• Internal medicine doctors
• Advanced Nurse Practitioners (ANPs)
• Federally Qualified Health Clinics (FQHCs)
• Rural Health Clinics (RHCs)
• Community-based clinics
• Specialists

It is important that you get to know your primary care provider. It is also important to tell the doctor as much as you can about your health. Your primary care provider will get to know you, give you regular checkups, and treat you when you are sick. It is important that you follow your primary care provider’s advice and take part in decisions about your health care.

It is not good to wait until you are sick to meet your primary care provider. Schedule your first Texas Health Steps checkup or visit right away. Member Services can help you schedule your visit. We can also help you get transportation to your doctor’s office. Call our transportation line at 346-232-4130, or free-of-charge at 888-401-0170.

When you call:
• Have your Member ID card with you. The phone number is listed on your Member ID card. If you need medical care the same day, call your primary care provider as early in the day as possible.
• Be ready to tell the doctor your health problem or the reason for the visit.
• Write down the day and time for your visit.

When you go for your visit:
• Take your Member ID card.
• Know the medicines you are taking.
• Take notes on the information you get from the doctor.

What do I need to bring with me to my doctor’s visit:
• Your Texas Children’s Health Plan Member ID Card
• The name of the medicine you take
• The date and time for your visit
• A note on your health problem or the reason for the visit

When will my primary care provider change become effective?

When you change your or your child’s primary care provider the change will take effect the next day. A new Member ID card will be mailed to you. The ID card will have your new primary care provider’s name and phone number. Be sure to have your medical records sent to your new doctor. You do not have to change health plans to change your primary care provider.

What if I want to know more about my doctor?

You can learn more about your doctor such as their specialty or whether they offer telemedicine services by clicking on the “Find a Provider” link on our website: texaschildrenshealthplan.org/find-a-provider

Your primary care provider also can ask for changes

Can my primary care provider move me to another primary care provider for non-compliance?

Your primary care provider can ask that you pick another primary care provider if:
• You miss visits without calling to say you will not be there.
• You often are late for your visits.
• You do not follow your primary care provider’s advice.
• You do not get along with the primary care provider’s office staff.

If your primary care provider asks you to change to a new primary care provider, we will send you a letter. The letter will tell you that you need to pick a new primary care provider. If you do not choose a new primary care provider, one will be chosen for you.

If your primary care provider leaves

Texas Children’s Health Plan
What if my primary care provider leaves?

If your primary care provider decides to end his or her participation with Texas Children’s Health Plan, we will let you know. You will be assigned a new primary doctor, but if you would like a different primary doctor call Member Services at 866-959-2555. A Member Advocate will help you make the change.

If you or your child is getting medically necessary treatments, you might be able to stay with that doctor until we find you a new doctor. When we find you a new primary care provider on our list who can give the same type of care, we will change your or your child’s primary care provider.

What if I choose to go to another doctor who is not my primary care provider?

Always call Member Services to change your primary care provider before setting up a visit with another doctor. If you choose to go to another doctor who is not your primary care provider, the doctor might refuse to see you, or you might have to pay.

Your Texas Children’s Health Plan Member ID Card

You and each person in your family covered by Texas Children’s Health Plan will have a personal Member ID card.

What do I need to bring to my doctor’s appointment?

Always carry this card with you. It has important information needed to get medical care. You will need to show it to all health care providers before you get medical services. It tells providers you are covered by Texas Children’s Health Plan.

If you do not show your ID card, the doctor might refuse to see you, or you might have to pay for the services you get.

Call Member Services at 866-959-2555 if you need to see your primary care provider before you get your new ID card. We will call and tell your doctor you are a Texas Children’s Health Plan member.
A copy of the Member ID card is shown below. The front shows valuable information about you. It also has your Medicaid ID number and the name and phone number of your primary care provider. The bottom-front section of the Member ID card has important phone numbers for you to call if you need help using health services.

**How to read your ID card**

The front and back of your ID card shows:

- Your name and ID number.
- Your date of birth.
- Your primary care provider’s name and phone number.
- The Member Services telephone number.
- The Behavioral Health/Substance Abuse phone number.
- The Vision Care phone number.
- The Nurse Help Line phone number.

As soon as you receive the Member ID card, check to make sure your information is correct. Call Member Services if you find an error. We will correct the information and send you a new card.

Do not let other people use your Member ID card. If the card is lost or stolen, call Member Services. A Member Advocate will send you a new card.

**How to use your ID card**

- Always carry your Member ID card and Your Texas Benefits Medicaid Card with you.
- Show your Member ID card and Your Texas Benefits Medicaid Card every time you go to a provider’s office.
- Do not let other people use your card.
- Call Member Services at 866-959-2555 if you do not have a Member ID card.
- Call Member Services at 866-959-2555 if your Member ID card is lost or stolen.

- Call Member Services at 866-959-2555 if you move or change your phone number.

**Your Texas Benefits (YTB) Medicaid Card**

When you are approved for Medicaid, you will get a YTB Medicaid Card. This plastic card will be your everyday Medicaid card. You should carry and protect it just like your driver’s license or a credit card. Your doctor can use the card to find out if you have Medicaid benefits when you go for a visit.

The YTB Medicaid card has these facts printed on the front:

- Your name and Medicaid ID number.
- The date the card was sent to you.
- The name of the Medicaid program you’re in if you get:
  - Medicare (QMB, MQMB)
  - Healthy Texas Women Program (HTW)
  - Hospice
  - STAR Health
  - Emergency Medicaid, or
  - Presumptive Eligibility for Pregnant Women (PE).
- Facts your drugstore will need to bill Medicaid.
- The name of your doctor and drugstore if you’re in the Medicaid Lock-in program.

The back of the YTB Medicaid card has a website you can visit (www.YourTexasBenefits.com) and a phone number you can call (800-252-8263) if you have questions about the new card.

If you lose your Texas Benefits Medicaid card and need quick proof of eligibility, the Health and Human Services Commission (HHSC) can still give you a Temporary Medicaid Eligibility Verification Form (Form 1027-A). You must apply for the temporary form in person at an HHSC benefits office. To find the nearest office call 2-1-1 (choose a language and then choose option 2).

You must take your Form 1027-A or your YTB ID card with you when you get any health care services.

If you are not sure if you are covered by Medicaid, you can find out by calling 800-252-8263. You can also call 2-1-1. First pick a language and then pick option 2.

**The YourTexasBenefits.com Medicaid Client Portal**

You can use the Medicaid Client Portal to do all the following for yourself or anyone whose medical or dental information you are allowed to access:

**Medicaid Card to receive services. Dental checkups are due and treat health problems before they get worse. Children's health plan checkups can help find and related services. You can call Member Services for a complete list of services that are not covered.

This notice applies to all Texas Children’s Health Plan STAR members 20 years old or younger. The Health and Human Services Commission (HSSC) has settled a lawsuit that affects private duty nursing, home health skilled nursing, durable medical equipment, and 20 years old or younger. You can get a copy of the Settlement Agreement by visiting www.hhs.texas.gov and www.disabilityrightstx.org. If you have any questions, call Disability Rights Texas at 713-974-7691.

Migrant farm workers

What is a migrant farm worker?

A migrant farm worker is a person who works on farms as a field worker or as a food packer during certain times of the year. Migrant farm workers move from place to place to follow the crops. We have extra services for migrant farm workers and their children. Call Member Services at 866-959-2555 to request a migrant farm worker fee assistance.

Getting care
Set up your visit
To get care, the right place to start is with a call to your primary care provider’s office. The phone number is listed on your Member ID card. They can help you set up a visit. If you need medical care the same day, call your primary care provider as early in the day as possible. Remember that your primary care provider or another doctor you’re working with can be reached 24 hours a day, 7 days a week.

You should not have to wait more than 14 days to see your primary care provider. If your primary care provider cannot see you within 14 days or if you have problems with your primary care provider, call Member Services at 866-899-2555.

When you call:
• Have your Member ID card with you.
• Be ready to tell the doctor your health problem or the reason for the visit.
• Write down the day and time for your visit.

What to bring with you to your visit:
• Your Member ID card and Your Texas Benefits Medicaid Card.
• Prescription drugs you are taking.
• Something to write with, to take notes on the information you get from the doctor.

If it is your first visit to this doctor, also bring the name and address of your previous doctor. Children should bring their vaccination records.

What if I cannot make the appointment?
Call your doctor’s office as soon as possible if you are not able to keep your visit or will get there late. They will help you change the visit to a different day or time. Also, remember to change or cancel your ride if one is scheduled. Calling to cancel a visit is sometimes hard to remember. It is important to cancel your visit so that others who need visits can get them.

Routine care
What is routine medical care? How soon can I expect to be seen?
Your primary care provider will give you regular checkups and treat you when you are sick. This is called routine care. Most routine visits, including well-child checkups, are scheduled within 14 days of your asking. Adult checkups are scheduled within 4 weeks.

When you need routine care, call your primary care provider’s phone number on the front of your ID card. Someone in the doctor’s office or clinic will set up a visit for you.

Urgent medical care
What is urgent medical care?
Another type of care is urgent care. There are some injuries and illnesses that are not emergencies but can turn into emergencies if they are not treated within 24 hours. Some examples are:
• Minor burns or cuts
• Earaches
• Sore throat
• Muscle sprains/strains

What should I do if my child or I need urgent medical care?
For urgent care, call your doctor’s office even on nights and weekends. In some cases, your doctor may tell you to go to an urgent care clinic. If your doctor tells you to go to an urgent care clinic, you do not need to call the clinic before going. You need to go to a clinic that takes Texas Children’s Health Plan Medicaid. For help, call us at 866-959-2555. You can also call our 24-hour Nurse Help Line at 800-686-3831 for help with getting the care you need.

How soon can I expect to be seen?
You should be able to see your doctor within 24 hours for an urgent care appointment. If your doctor tells you to go to an urgent care clinic, you do not need to call the clinic before going. The urgent care clinic must take Texas Children’s Health Plan Medicaid.

Care after office hours
How do I get medical care after my primary care provider’s office is closed?
To get medical care outside of regular working hours, you should still call your primary care doctor. They or another doctor working with them can be reached 24 hours a day, 7 days a week. You can find their number on your ID card.

Your doctor’s answering service will take a message and a doctor or nurse will call you back. Call again if you do not hear from a doctor or nurse within 30 minutes. Some primary care provider’s phones are answered by an answering machine or a recorded voice outside of working hours. The recording will tell you what number to call to reach your doctor.

Do not wait until the evening to call if you can take care of a medical problem during the day. Most illnesses tend to get worse as the day goes on. You also can call the Texas Children’s Health Plan’s Nurse Help Line and talk to a nurse at 800-686-3831. Nurses are ready to help you decide what to do 24 hours a day, 7 days a week. If you have a life-threatening emergency, call 9-1-1 right away or go to the nearest emergency room.

Emergency Medical Care
Emergency medical care is provided for Emergency Medical Conditions and Emergency Behavioral Health Conditions.

What is an emergency medical condition?
An emergency medical condition includes severe and sudden symptoms (including severe pain), such that a reasonable person with average knowledge of health and medicine, could know immediately that medical care is necessary and the situation:
• places the patient’s health in serious jeopardy;
• may result in serious damage to bodily functions;
• may result in serious issues of any bodily organ or part;
• may result in serious disfigurement; or
• in the case of a pregnant women, serious jeopardy to the health of a woman or her unborn child.

Emergencies can be things like:
• A badly injured arm, leg, hand, foot, tooth, or head.
• Severe burns.
• Bad chest pains.
• Heavy bleeding.
• Criminal attack (raped, mugged, stabbed, gunshot).
• A severe allergic reaction or have been bitten by an animal.
• Choking, passing out, having a seizure, or not breathing.
• Acting out of control and a danger to self or others.
• Poisoned or overdosed on drugs or alcohol.

What is an emergency behavioral health condition?
Any condition, regardless of nature or cause of the condition, which in the opinion of anyone with average knowledge of medicine and health:
• Requires immediate intervention or medical attention without which the member would present an immediate danger to themselves, or others.
• Which renders the member incapable of controlling or understanding the consequences of their actions.

Emergency Services and Emergency Care means:
Covered inpatient and outpatient services furnished by a provider that is qualified to furnish such services and that are needed to evaluate or stabilize an emergency medical condition or emergency behavioral health condition, including post-stabilization care services.

How soon can I expect to be seen?
If you believe the situation is life-threatening, go to the nearest hospital emergency room or call 9-1-1 for help.

If you are sure your situation is not life-threatening but are not sure if you need emergency care, call your primary care provider.
What if I am out of state?
If you are out of state and have a life-threatening emergency, go to the nearest emergency room, or call 9-1-1 for help. Call your primary care provider or Member Services within 48 hours of receiving emergency care. Your primary care provider must arrange for any follow-up care received while you are out of town.

If it’s not an emergency, but you get sick or need medical care while you are out of state, call your primary care provider and they can tell you what to do. You can also call the Texas Children’s Health Plan Nurse Help Line at 800-686-3831 and a nurse will help you decide what to do.

Safecare, Referrals, and Prior Authorization
What if I need to see a specialist? What is a referral?
Your primary care provider will take care of your most health care needs.

If you have a special health problem, your primary care provider might ask you to see another doctor or have special tests done. This is called a referral. Your primary care provider will refer you to a participating specialist or other provider who is in the Texas Children’s Health Plan network.

Specialists include doctors such as cardiologists (heart), dermatologists (skin), or allergists. Your primary care provider makes sure that you see the right specialist for your condition or problem. They will discuss with the specialist the need for further treatment, special tests, or hospital care.

What if I get care with another doctor without a referral?
In most cases, you must get a referral before you get care with another doctor. If you choose to go to another doctor who is not your primary care provider, the doctor might refuse to see you, or you might have to pay the cost of that care yourself.

How soon can I expect to be seen by a specialist?
Expect visits with specialists to happen within 21 days of your request.

If you see a specialist without being referred to by your primary care provider, the specialist might refuse to see you, except in an emergency. Always check with your primary care provider before you go anywhere else for care.

Texas Children’s Health Plan will not cover the costs of medical care from non-participating health care providers. If your doctor thinks there is not a doctor in our network that can give you the care you need, they can send us an authorization request. They can ask our Utilization Management department for the authorization of medically necessary services that you cannot get from any other doctor or other provider in the Texas Children’s Health Plan network.

Second opinions
How can I ask for a second opinion?
You have the right to a second opinion to find out about the use of any health care. Tell your primary care provider if you want a second opinion about a treatment recommended by a provider. Your primary care provider will set up a visit or refer you to another doctor in the Texas Children’s Health Plan network. If no other doctor is available in the network, he or she will set up a visit for you to see a doctor that is not in the Texas Children’s Health Plan network. You will not have to pay for these services. Call Member Services at 866-959-2555 if you need help making a request or picking a doctor for a second opinion.

Listed below are some of the reasons why you may want to have a second opinion:
- You are not sure if you need the surgery your doctor is planning to do.
- You are not sure of your doctor’s diagnosis or care plan for a serious or difficult medical need.
- You have done what the doctor asked, but you are not getting better.

Services that do not require a referral from your primary care provider
What services do not need a referral?
Texas Children’s Health Plan does not require a referral (for most services) for you to see a provider in-network, but some services need approval or prior authorization. To see a provider out-of-network, the visit must be authorized by Texas Children’s Health Plan.

Texas Children’s Health Plan’s network providers are listed in the provider directory. Most of our OB/GYN doctors give family planning services. There is also a list of Medicaid family planning providers in this handbook. Call Member Services at 866-959-2555 for help in finding participating doctors.

Prior Authorization Process
What services need approval or prior authorization?
Some services need approval or authorization from Texas Children’s Health Plan. Your doctor will submit a request for authorization. That means we must review the request to make sure you are getting the right care you need. We also want to make sure the care you are getting is covered by your plan. Your doctor will submit an authorization request, in writing, to the Utilization Management department to get approval of medical services that you can’t get from any other doctor or other provider in the Texas Children’s Health Plan network.

Texas Children’s Health Plan may extend the timeframe for a standard authorization decision by up to 14 calendars days if the member or provider asks for an extension or if additional information is needed and the extension is in the member’s best interest.

If you would like to see the prior authorization list, please log on to the Texas Children’s Health Plan member portal or contact Member Services or your Service Coordinator.

OB/GYN care
What if I need OB/GYN care? Will I need a referral?
ATTENTION FEMALE MEMBERS: Texas Children’s Health Plan lets you pick an OB/GYN. But this doctor must be in the same network as your primary care provider.

You have the right to pick an OB/GYN without a referral from your Primary Care Provider. An OB/GYN can give you:
- One well-woman checkup each year.
- Care related to pregnancy.
- Care for any female medical condition.
- Referral to a specialist doctor within the network.

Do I need a referral for OB/GYN care?
No. You do not need a referral for OB/GYN Care. The OB/GYN provider must be in the same network as your primary care provider.

How do I find an OB/GYN provider?
You can easily find an OB/GYN using our online Find a Provider tool. Just visit texaschildrenshealthplan.org/find-a-provider.

You can also call Member Services at 866-959-2555. We will be glad to help you pick a new OB/GYN or send you a copy of our provider directory.

Most of our OB/GYN doctors also give family planning services. There is also a list of Medicaid family planning providers in this handbook. Call Member Services at 866-959-2555 for help in finding participating doctors.

How soon can I be seen after contacting the OB/GYN for a visit?
You should be seen within 14 days of asking for an appointment.
Can I stay with my OB/GYN if they are not with Texas Children’s Health Plan?

If you are pregnant and have 16 or fewer weeks before your delivery due date when you join our health plan, you can still go to your current OB/GYN. You can also choose a different OB/GYN who is in-network if he or she agrees to treat you. Call Member Services if you need help making changes.

Do I need a referral for other women’s health services?

In addition to access to OB/GYN care, TCHP offers direct access to other women’s health specialists including Certified Nurse Midwives.

Direct access means that no authorization or referral is needed to receiving services from specialists in the TCHP network.

Members have direct access to other routine preventative health care services including breast exams, mammograms, and pap tests.

What if I am pregnant?

Who do I need to call?

If you are pregnant, call Member Services at 866-959-2555. We can help you pick an OB/GYN participating in the Texas Children’s Health Plan network. Expect a call from our Maternal Care Outreach Specialist who will give you information on all the maternity benefits and services available. They will be ready throughout your pregnancy to help you with getting prenatal (before the baby is born) care visits and transportation to visits and tests.

Member Services can help with:
- Scheduling visits for pregnancy checkups.
- Questions you might have about your health coverage.
- Arranging for transportation to doctor visits.
- Prenatal classes (classes to prepare you for the birth).
- Information on the Women, Infants, and Children (WIC) program.
- Scheduling visits for well-baby checkups.
- Information on Texas Health Steps and the Healthy Texas Women program.

Where can I find a list of birthing centers?

A list of birthing centers may be found on our website at texaschildrenshealthplan.org/find-a-provider or by calling Member Services at 866-959-2555.

What other services/activities does Texas Children’s Health Plan offer pregnant women?

Texas Children’s Health Plan has a Service Coordination program to help you or your daughter have a healthy pregnancy. Our dedicated team of Care Coordinators are here to help pregnant members throughout their pregnancy and postpartum recovery. They work together with members, doctors, and medical staff to make sure that the member receives the best possible care each step of your pregnancy. Our Service Coordination program offers important services and resources such as:

- Pick an OB/GYN.
- Schedule visits to the doctor for mom and baby.
- Learn about the Women, Infants, and Children (WIC) program.
- Find parenting resources.
- Healthy Pregnancy Website with helpful pregnancy-related information at healthpresurgencies.org.

To learn more about how to get these services, call our Care Coordination line at 832-628-1430.

Newborn care

Can I pick a primary care provider for my baby before the baby is born?

Finding the right doctor for your unborn child is important. You can choose a primary care provider before your baby is born.

You can easily find a primary care provider for your newborn using our online Find a Provider tool. Just visit texaschildrenshealthplan.org/find-a-provider.

You can also call Member Services at 866-959-2555. We will be glad to help you pick a new primary care provider or send you a copy of our provider directory.

Get rewarded for completing your well-child checkups!

- Complete 3 well-child checkups by the age of 15 months and get a $50 reward card.
- Complete 6 well-child checkups by the age of 15 months and get an additional $100 reward card.
- Rewards can be requested up to 30 days after the end of the eligible year.

Visit healthpresurgencies.org or call Member Services at 1-866-959-2555 for more information.

How and when can I switch my baby’s primary care provider?

You can always pick a new primary care provider for your baby. You can easily find a primary care provider for your newborn using our online Find a Provider tool. Just visit texaschildrenshealthplan.org/find-a-provider.

Once you pick out a primary care provider, you should call Member Services at 866-959-2555. Be sure to have your baby’s member ID number ready.

Can I switch my baby’s health plan?

For at least 90 days from the date of birth, your baby will be covered by the same health plan that you joined. You can ask for a health plan change before the 90 days is up if both your current health plan and your new health plan agree with the transfer.

You cannot change health plans while your baby is in the hospital.

If your baby is not in the hospital, you can change their health plan by calling the Texas STAR Help Line at 800-964-2777.

How do I sign up my newborn baby? How and when do I tell my caseworker?

As soon as your baby is born, call the Health and Human Services Commission (HHS) benefits office at 2-1-1 to sign your baby up for coverage. Also, be sure to call your caseworker. They can answer any questions about your baby’s coverage.

How and when do I tell my health plan?

It is also important that you call Member Services as soon as your baby is born so we can help you get health services for your baby.

How can I receive healthcare after my baby is born (and I am no longer covered by Medicaid)?

After your baby is born you may lose Medicaid coverage. You may be able to get some health care services through the Healthy Texas Women Program and the Department of State Health Services (DSHS). These services are for women who apply for the services and are approved.

Healthy Texas Women

Healthy Texas Women’s Program provides family planning exams, related health screenings and birth control to women ages 18 to 44 (15-17 with parental permission) whose household income is at or below the program’s income limits (204.2% Federal Poverty Level). You must submit an application to find out if you can get services through this program. To learn more about services, you can get through the Healthy Texas Women Program, call, visit or call the program’s website: Healthy Texas Women’s Program PO. Box 14000 Midland, TX 79711-9902 Phone: 800-335-8957
DSHS Primary Health Care Program
The DSHS Primary Health Care Program serves women, children, and men who are unable to access the same care through insurance or other programs. To get services through this program, a person’s income must be at or below the program’s income limits (200 percent of the federal poverty level). A person approved for services may have to pay a co-payment, but no one is turned down for services due to a lack of funds.

Primary Health Care focuses on prevention of disease, early detection and early intervention of health problems. The main services provided are:
- Diagnosis and treatment
- Emergency services
- Family planning
- Preventive health services, including vaccines (shots) and health education, as well as laboratory, x-ray, nuclear medicine or other appropriate diagnostic services.

Secondary services that may be provided are nutrition services, health screening, home health care, dental care, rides to medical visits, medications your doctor orders (prescription drugs), durable medical supplies, environmental health services, treatment of damaged feet (podiatry services), and social services.

You will be able to apply for Primary Health Care services at certain clinics in your area. To find a clinic where you can apply, visit the DSHS Family and Community Health Services Clinic Locator at Find a Health Center (hrsa.gov).

To learn more about services, you can get through the DSHS Expanded Primary Health Care program, visit the program’s website, call, or email:

Family planning services
How do I get family planning services? Do I need a referral?
Family planning services help you plan or prevent a pregnancy. They are for men and women. You can get family planning services from your primary care provider. You can also see any Medicaid Family Planning Provider. A referral is not needed for family planning services. If you are 18 years old or younger, you have to get your parents to agree to you getting family planning services or supplies.

The family planning services you get include:
- A yearly checkup.
- An office or clinic visit for a problem, counseling, or advice.
- Laboratory tests.
- Prescriptions and contraceptive devices such as birth control pills, diaphragms, and condoms.
- Pregnancy tests.
- Sterilization services (only if you are 21 years old or older; Federal Sterilization Consent Form is needed).
- Checkup and treatment of sexually transmitted diseases such as herpes and syphilis.

Where do I find a family planning services provider?
You can find the locations of family planning providers near you online at healthytexaswomen.org/ or you can call Texas Children’s Health Plan at 866-959-2555 for help in finding a family planning provider.

Hospital services
Your primary care provider or a specialist may decide if you need care at a hospital. The doctor will arrange for care at a hospital that is in the Texas Children’s Health Plan’s network. Your coverage includes both outpatient and inpatient services. Your primary care provider or specialist will need to approve or refer you for these services.

Home health services
Sometimes a sick or injured person needs medical care at home. Home care can follow an inpatient stay or be provided to prevent an inpatient stay. If you need home health services, your primary care provider will talk to Texas Children’s Health Plan so that you can get the right care.

Ambulance services
Covered services include services from a licensed ambulance company in case of an emergency, or for non-emergencies only with prior authorization. You may have to pay for an ambulance for non-emergency services.

Audiology services
Hearing aids are covered for members 21 years and older when medically necessary. Hearing tests are only covered for members 21 years old or older. Hearing aids and hearing tests for children are provided through the Program for Amplification for Children of Texas (PACT). You can call PACT at 800-252-8033.

Mental health and drug abuse services
How do I get help if I have mental health, alcohol, or drug problems? Do I need a referral?
You can get mental or drug abuse services when needed. You do not need a referral from your primary care provider. These services include:
- Counseling services.
- Inpatient and outpatient care.
- Detoxification and treatment for drug addiction and alcoholism.

You can get mental or drug abuse services by:
- Calling Texas Children’s Health Plan’s Mental Health/Drug Abuse Hotline at 800-731-8529. You can call the hotline 24 hours a day, 7 days a week.
- Choosing a mental or drug abuse provider from the Texas Children’s Health Plan provider network.

If you have an emergency and need mental health or drug abuse treatment immediately, go to the nearest emergency room or call the Mental Health/Drug Abuse Hotline at 800-731-8529. Someone will help you get care right away. Once you are able, you, or someone on your behalf, will need to call the hotline and let them know you had an emergency.

Mental Health Follow-up Visit Reward
Complete a mental health follow-up visit within 7 days after discharge from a mental health or hospital facility and get a $25 reward card (ages 6 and older).

Other Medicaid services or programs
What other services can Texas Children’s Health Plan help me get?
Medicaid covers some services that Texas Children’s Health Plan does not. You may not be able to get these services and programs.

What is Early Childhood Intervention (ECI)?
The Early Childhood Intervention (ECI) program provides information on services available to help children, from birth to three years old, who may have a disability or developmental delay. ECI is a statewide program for families with children, from birth to three years old, with disabilities and developmental delays. ECI supports families to help their children reach their potential through developmental services. Services are provided by a variety of local agencies and organizations across Texas.

Do I need a referral for this?
You do not need a referral from your primary care provider for ECI. Call Member Services at 866-959-2555 for help with using these services and programs.

Where do I find an ECI provider?
Find your nearest ECI program provider at: https://dnzweb.dars.state.tx.us/pd/citysearch.

Other programs
- Mental Health or Mental Retardation (MHMR) Service Coordination.
- Mental Retardation Diagnostic Assessment (MRDA) program.
What if I or my child go to a drug store not in the network? If you go to a drug store that is not in the network, you may not be able to fill your medications, or may have to pay out of pocket yourself. You can ask for an exception for emergency situations.

What is a drug formulary? Medication lists included in your or your child’s prescription benefit are part of the Texas Medicaid/CHIP formulary. The formulary is a list of brand and generic medicines based on quality and value. The formulary also identifies which medications require prior authorization, and which medications are on a preferred drug list (PDL). The Texas Health and Human Services (HHSC) creates and maintains the drug formulary for Medicaid. The PDL is updated every 6 months in January and July.

Who decides what drugs are on the formulary? A group of doctors and pharmacists from the Texas Drug Utilization Review board review the formulary on an ongoing basis. Only drugs that are safe, effective and affordable are included. The formulary, PDL list, and prior authorization criteria are all decided by the Texas Vendor Drug Program (VDP) at the Texas Health Human and Services (HHSC).

Where can I go to find out what drugs are covered and/or require pre-approval? You can review the list of medications by visiting https://www.txvendordrug.com/. There is a tool to search medications by brand or generic name. The tool also identifies if a medication has prior authorization requirements. You can also contact Texas Children’s Health Plan to speak to a pharmacist if you have any questions about your medications and benefits. Contact Member Services at 866-959-2555 if you need help.

What is a Pharmacy Benefit Manager (PBM)? Who is the PBM for Texas Children’s Health Plan? A PBM is a company that manages drug store benefits. Navitus is Texas Children’s Health Plan’s PBM. Navitus is responsible for:
• Maintaining Texas Children’s Health Plan’s network of drug stores.
• Helping drug store process claims.
• Making sure only claims covered under the Texas STAR and CHIP drug formulary are processed.
• Reviewing prior approval requests from doctors for drugs that require pre-approval.
• Reviewing exceptions for quantity limits or high doses.

How much medicine can I pick up for myself or my child? Texas Children’s Health Plan allows up to 34-days’ supply of medicines per fill. You may request an exception for a refill by contacting Member Services at 866-959-2555.

What if my or my child’s medication requires prior authorization? Some medications need a pre-approval before you can fill them at a drug store. Prior authorizations help Texas Children’s Health Plan ensure the medications are safe and effective. Your doctor must submit an approval request. We work with a pharmacy benefit manager to review requests. Decisions are made typically within 24 to 72 hours of submitting a prior authorization request. You can find a list of prior authorization forms on your online member portal. You can also find it under “Prior Authorization Forms.”

There are times when a drug store may give you an emergency fill for 3 days supply. These are:
• The drug store cannot reach your doctor.
• It will take longer than 72 hours to resolve.
• This does not apply to:
  – Unbreakable packages like inhalers.
  – Controlled substances like opioids.

Where do I find the Texas Children’s Health Plan clinical criteria for pre-approval? The Texas Children’s Health Plan Medicaid Prior Authorization clinical criteria is available from the Navitus pharmacy benefit manager (PBM) website: https://testarchip.navitus.com under “Clinical Edits.”

What is a Pharmacy Benefit Manager (PBM)? Who is the PBM for Texas Children’s Health Plan? A PBM is a company that manages drug store benefits. Navitus is Texas Children’s Health Plan’s PBM. Navitus is responsible for:
• Maintaining Texas Children’s Health Plan’s network of drug stores.
• Helping drug store process claims.
• Making sure only claims covered under the Texas STAR and CHIP drug formulary are processed.
• Reviewing prior approval requests from doctors for drugs that require pre-approval.
• Reviewing exceptions for quantity limits or high doses.

What if I can’t get the medication my or my child’s doctor ordered approved? If your or your child’s doctor cannot be reached to approve a prescription, you or your child may be able to get a three-day (72-hour) emergency supply of your or your child’s medication. Ask your drug store about providing you or your child an emergency supply. You can also call Texas Children’s Health Plan at 866-959-6555 for help. The pharmacist will use his or her clinical judgement if they will provide you with a 72-hour supply. Texas Children’s Health Plan does not make that decision and will not prevent members from obtaining the 72-hour supply.

What if I need my or my child’s medications delivered to me? If you need your medication(s) delivered, you can use a pharmacy in our network that provides delivery services. You can search for a pharmacy that provides delivery services using our online website, or you can call Member Services at 866-959-2555.

What if I lose my or my child’s medication(s)? If you lose your medications, you should call your doctor or clinic for help. If your doctor or clinic is closed, the drug store may be able to provide an emergency 72-hour supply. Sometimes, you may need special permission from the Texas Children’s Health Plan for an early refill. You can call Member Services at 866-959-2555 for help.

What if I need/my child needs an over-the-counter (OTC) medication? The pharmacy cannot give you an over-the-counter medication as part of your Medicaid benefit. If you need/your child needs an over-the-counter medication, you or your child can ask your doctor to write a prescription. You can use a pharmacy in our network that provides delivery services. You can search for a pharmacy that provides delivery services using our online website, or you can call Member Services at 866-959-2555.
you will have to pay for it unless it is on the formulary and the provider writes a prescription for it.

What if I need or my child needs more than 34 days of a prescribed medication?
The drug store can only give you an amount of a medication that you need/your child needs for the next 34 days. For exception requests, please call Texas Children’s Health Plan at 866-959-2555.

How are generic substitutes or therapeutic interchanges handled?
Generic substitution is when the benefit will require members to only use a generic drug. Therapeutic interchange is when the doctor prescribes a drug, but the pharmacy gives one that is chemically different but works the same. Any changes to your medication should only be made with your doctor’s consideration.

Texas Children’s Health Plan will not deny any coverage of any product covered under Medicaid/CHIP benefits. This includes brand or generic drugs on the formulary. Texas Children’s Health Plan will only process claims as written by your doctor.

Emergency Prescription Supply
You may receive a 72-hour emergency supply of a prescribed drug if a medication is needed without delay and prior authorization is not available. This applies to all drugs requiring a prior authorization, either because they are non-preferred drugs on the preferred drug list or because they are subject to analysis for getting your money back. The pharmacist at your pharmacy will decide in the end if they want to give you the 3-day supply or not. The choice is up to the pharmacist.

The 72-hour emergency supply should be given out any time a prior authorization cannot be fixed within 24 hours for a medication on the Vendor Drug Program formulary that is appropriate for the member’s medical condition. If the provider cannot be reached or is unable to ask for a prior authorization, the drug store should submit an emergency 72-hour prescription.

A drug store can give a product that is packaged in a form that is fixed and unbreakable, such as an albuterol inhaler, a drug store can give a product that is packaged in a form that is chemically different but works the same. Any changes to your medication should only be made with your doctor’s consideration.

What dental services does Texas Children’s Health Plan cover for children?
Texas Children’s Health Plan covers limited emergency dental services in a hospital or ambulatory surgical center, including payment for the following:

- Treatment of dislocated jaw.
- Treatment for traumatic damage to teeth and supporting structures.
- Removal of cysts.
- Treatment of oral abscess of tooth or gum origin.

Children’s Health Plan will only process claims as written by your doctor.

To avoid being put in the Medicaid Lock-In Program:
- Pick one drugstore at one location to use all the time.
- Be sure your main doctor, main dentist, or the specialists they refer you to are the only doctors that give you prescriptions.
- Do not get the same type of medicine from different doctors.

To learn more, call Member Services at 866-959-2555 and ask to speak to a pharmacist about the Medicaid Lock-In Program.

Members with special health care needs

Who do I call if I have or my child has special health care needs and I need someone to help me?

If you have or your child has special health care needs, such as developmental delays, diabetes, asthma, or sickle cell disease, call Member Services at 866-959-6555 to get more information on how to get help. Texas Children’s Health Plan has a Service Coordination program that offers families help with you or your child’s special needs. The services range from simple outreach and information to intensive Service Coordination. They also include coordination with and referral to community resources to help families with transportation and basic living needs. Your information will be given to a Service Coordinator. The Service Coordinator will call you within 15 business days to assess your needs. The Service Coordinator will work with you to develop a service plan within 30 business days. You can decline or opt out of Service Coordination at any time.

A Service Coordinator is a nurse or social worker who can help you:

- Find services in your community.
- Make appointments with special doctors.
- Learn more about you or your child’s medical condition.
- Explain covered benefits and services.
- Create a plan of care just for you or your child.
- Work with you or your child’s doctors to get medically necessary care for you or your child.

Be sure to tell the Service Coordinator about any special providers you have or your child has been seeing. It is also important to tell your or your child’s primary care provider that you have or your child has special health care needs. The best way to tell your or your child’s doctor is to schedule a visit to see them.

**Case Management for Children and Pregnant Women (CPW)**

**What is Case Management for Children and Pregnant Women (CPW)?**

Case Management for Children and Pregnant Women (CPW) is a benefit at Texas Children’s Health Plan for members with STAR Kids and STAR coverage. Members from birth to 20 years old, with a health condition, health risk, or high risk pregnancy, receive Case Management services. CPW services help clients gain access to needed medical, social and/or educational services.

Supporting our diverse membership
We have a wide range of ways we can communicate so we best meet your needs. From translating documents, to proving materials in other formats we are here to help. Our Member Service team is fluent in English and Spanish. Our team can also use interpreters to speak with you in 140 languages.

Interpreter and translation services
Can someone interpret for me when I talk with my doctor?

We can get you face-to-face sign and language interpretation for doctor visits.

Who do I call for an interpreter?
Call Member Services at 866-959-2555 to ask for an interpreter.

How far in advance do I need to call?
Please let us know if you need these services at least 48 hours before your visit. Call Member Services at 866-959-2555, TTY 800-735-2989 (Texas Relay) or 7-1-1.

How can I get a face-to-face interpreter in the doctor’s office?
Call us from any doctor’s office. We will find someone who speaks your language. Call Member Services at 866-959-2555.

Help for the visually impaired
If you have a visual impairment, Texas Children’s Health Plan will give you health plan materials in large print, Braille, or on audiotapes. Call Member Services to discuss your special needs.

Phone device for the deaf (TDD) services for members with hearing or speech impairments

Member materials in English and Spanish
This member handbook and all other materials included in your member packet are provided in English and Spanish. We can also give you many of the other health educational materials in Spanish. If you need another language, just give us a call and ask.

Changes to your plan
What do I do if I move?
As soon as you have your new address, give it to the local Health and Human Services Commission (HHSC) benefits office and Texas Children’s Health Plan Member Services at 866-959-2555. Before you get Medicaid services in your new area, you must call Texas Children’s Health Plan unless you need emergency services. You will keep getting care through Texas Children’s Health Plan until HHSC changes your address.

What if I get a bill from my doctor? Who do I call?
If you get a bill for a Texas Children’s Health Plan covered benefit or service, call Member Services at 866-959-2555.

What information will they need?
Have the bill available so you can tell us the:
- Doctor’s name.
- Date services were received.
- Doctor’s phone number.
- Amount of the claim.

Member Services will call the doctor.

Changes in Texas Children’s Health Plan
Sometimes Texas Children’s Health Plan might make some changes in the way it works, the services it covers, or its network of doctors and hospitals. We will mail you a letter when we make changes to the services.

Changing health plans
What if I want to change health plans?
You can change your health plan by calling the Texas STAR, STAR Kids, or STAR+PLUS Program Help Line at 800-964-2777. You can change health plans as often as you want.

When will my health plan change become effective?
If you call to change your health plan on or before the 15th of the month, the change will take place on the first day of the next month. If you call after the 15th of the month, the change will take place on the first day of the second month after that. For example:
- If you call on or before April 15, your change will take place on May 1.
- If you call after April 15, your change will take place on June 1.

What happens if I lose my Medicaid coverage?
If you lose Medicaid coverage but get it back again within 6 months, you will get your Medicaid services from the same health plan you had before losing your Medicaid coverage. You will also have the same primary care provider you had before.

Your health plan also can ask for changes
Can Texas Children’s Health Plan ask that I get dropped from their health plan (for non-compliance, etc.)?
Texas Children’s Health Plan also might request from HHSC that you be dropped from your plan if:
- You often do not follow your doctor’s advice.
- You keep going to the emergency room when you do not have an emergency.
- You keep going to another doctor or clinic without first getting approval from your primary care provider.
- You or your children show a pattern of disruptive or abusive behavior not related to a medical condition.
- You often miss visits without letting your doctor know in advance.
- You let someone else use your ID card.

Renew your Medicaid benefits on time
Do not lose your medical benefits. Every 6 months you will need to renew your benefits. The Health and Human Services Commission (HHSC) will send you a letter telling you it is time to renew your Medicaid benefits. The letter will have a local HHSC office phone number for you to call. You will need to call and set up a meeting with your caseworker to renew your health care benefits.

The letter will also list any paperwork you need to bring to your caseworker. If you do not renew your eligibility by the date in the letter, you will lose your health care benefits.

What do I do if I need help completing my renewal application?
If you need help with your renewal packet, call one of our Application Assistance Specialists at 888-559-7526 to schedule an appointment or visit texascolumnshealthplan.org/renew to learn more on how to renew.

Families must renew their children’s Medicaid coverage every year. In the months before a child’s coverage ends, HHSC will send the family a renewal packet in the mail. The renewal packet contains an application. It also includes a letter asking for an update on the family’s income and cost deductions. The family needs to:
- Look over the information on the renewal application.
- Fix any information that is not correct.
- Sign and date the application.
- Look at the health plan options, and if you can sign up for a Medicaid health plan.
- Return the renewal application and documents of proof by the due date.

Once HHSC receives the renewal application and documents of proof, staff checks to see if the children in the family still qualify for their current program or if they qualify for a different program. If a child is referred to another program

• White space

• Social workers.
- Preventive care.
- Asthma care.
- Self-care.
- Dental care.
- Diabetes care.
- Mental health care.
- Have problems getting your prescription filled.

hospitals furnish emergency services covered by Medicaid.
- A statement saying you have a right to use any hospital or other settings for emergency care.
- Post-stabilization rules.
- Policy on referrals for specialty care and for other benefits you cannot get through your primary care provider.
- Texas Children’s Health Plan’s practice guidelines.

Medicaid and private insurance
What if I have other health insurance in addition to Medicaid?
You must tell Medicaid staff about any other health insurance you have. You should call the Medicaid Third Party Resources hotline and update your Medicaid case file if:
- Your other health insurance is canceled.
- You get new insurance coverage.
- You have general questions about other insurance.
You can call the hotline at 800-846-7307.

If you have other insurance, you may still be able to get Medicaid. When you tell Medicaid staff about your other health insurance, you help make sure Medicaid only pays for what your other health insurance does not cover.

IMPORTANT: Medicaid providers cannot turn you down for services because you have other health insurance as well as Medicaid. If providers accept you as a Medicaid patient, they must also file with your other health insurance company.

Provider incentive plans
Texas Children’s Health Plan cannot make payments under a providers’ incentive plan if the payments are designed to induce providers to reduce or limit medically necessary covered services to members. You have the right to know if your primary care provider (main doctor) is part of this provider’s incentive plan. You also have a right to know how the plan works. You can call Member Services at 866-959-2555 to learn more about this.

Your privacy
Texas Children’s Health Plan takes the confidentiality of your personal health information—information from which you can be identified—very seriously. In addition to meeting the program rules with all applicable laws, we carefully handle your Personal Health Information (PHI) in accordance with our confidentiality policies and procedures. We are committed to protecting your privacy in all settings.

We use and share your information only to give you health benefits. Our Notice of Privacy Practices has information about how we use and share our members’ PHI. A copy of our Notice of Privacy Practices is included with your Member Handbook and is on our website at texaschildrenshealthplan.org. You may also get a copy of our Notice of Privacy Practices by calling Member Services at 866-959-2555. If you have questions about our notice, call Member Services.

When you are not satisfied or have a complaint
What is a complaint?
A complaint is when you are not happy with your health care or services provided by your doctor, their office staff, or the Texas Children’s Health Plan staff.

What should I do if I have a complaint?
We want to help. If you have a complaint, please call us at 866-959-2555 to tell us about your problem. Member Services can help you file a complaint. Most of the time, we can help you right away or at the most within a few days.

Can someone from Texas Children’s Health Plan help me file a complaint?
A Texas Children’s Health Plan Member Advocate can help you file a complaint. Just call us at 866-959-2555. Most of the time, we can help you right away or at the most within a few days.

What is an appeal?
An appeal is the process you or someone acting on your behalf can ask for when you are not satisfied with Texas Children’s Health Plan’s action, and you want a review. An appeal means the denial or limited authorization of a requested service. It includes the:
- Denial in whole or part of payment for a service.
- Denial of a type or level of service.
- Reduction, suspension, or termination of a previously authorized service.
- Failure to give services in a timely manner.
- Failure to act within regulatory timeframes.

How will I find out if services are denied?
We will send you a letter if a covered service requested by your doctor is denied, delayed, limited, or stopped.

What can I do if my doctor asks for a service or medicine for me that is covered but Texas Children’s Health Plan denies it or limits it? Can someone from Texas Children’s Health Plan help me file an appeal?
You have the right to ask for an appeal if you are not satisfied or disagree with the action. Call Member Services at 866-959-2555. A Member Advocate can help you file your request for an appeal.

The letter will:
- Describe your complaint.
- Tell you what has been or will be done to solve your problem.
- Tell you how to ask for a second review of your complaint.

Once you have gone through Texas Children’s Health Plan’s complaint process, you can complain to the Health and Human Services Commission (HHS) by calling 866-566-9869. If you would like to make your complaint in writing, please send it to the following address:
Texas Health and Human Services Commission
Ombudsman Managed Care Assistance Team
P.O. Box 13247
Austin, Texas 78711-3247

If you can get on the Internet, you can submit your complaint at the texas.gov/managed-care-help.

Appeals
If you would like to file an appeal regarding an action made by Texas Children’s Health Plan, including a denial of payment of service in whole or in part, you must tell us within 60 days of the date on your decision letter.

What can I do if my doctor asks for a service or medicine for me that is covered but Texas Children’s Health Plan denies it or limits it? Can someone from Texas Children’s Health Plan help me file an appeal?
You have the right to ask for an appeal if you are not satisfied or disagree with the action. Call Member Services at 866-959-2555. A Member Advocate can help you file your request for an appeal.

You can request an appeal orally or in writing. If you make a written request for an appeal, you can send the appeal letter to the Utilization Management Appeals Department address: Texas Children’s Health Plan
Attention: Member Services Complaints
P.O. Box 301011, WLS 8390
Houston, TX 77230-1011

You may also send the appeal letter to the Utilization Management Appeals Department address:
Texas Children’s Health Plan
Attention: Member Services Complaints
P.O. Box 301011, WLS 8390
Houston, TX 77230-1011

To keep receiving authorized services, you must file the appeal within 10 days from the date of the denial letter or the start date of the proposed adverse benefit determination, whichever is later. You can ask that your services keep going until a decision is made. If the final decision is to uphold Texas Children’s Health Plan’s action, then you can be asked to pay back what it costs to keep getting your services. Please note: if the denial is upheld, you may be responsible for any cost for the services after the date of the original denial. Texas Children’s Health Plan must have written permission from the Health and Human Services Commission (HHS) to recover cost of services from the member.

Each appeal is promptly investigated. Texas Children’s Health Plan will send you a letter within 5 business days to let you know that we received your appeal request. The letter will list all the information we will need to receive to review the appeal. If you make a written request for an appeal, you can send the appeal letter to the Utilization Management Appeals Department address: Texas Children’s Health Plan
Attention: Member Services Complaints
P.O. Box 301011, WLS 8390
Houston, TX 77230-1011

Texas Children’s Health Plan must complete the entire standard appeal process within 30 days after receipt of the initial written or oral request for appeal. This deadline may be extended for up to 14 Days at the request of a Member; or Texas Children’s Health Plan shows that there is a need for more information and how the delay is in the Member’s interest. If Texas Children’s Health Plan needs to extend, the Member must receive written notice of the reason for delay.

If your appeal is not approved, the answer will explain the reason it was not approved and tell you how to appeal to ask for an External Medical Review and State Fair Hearing or only a State Fair Hearing.
What is an emergency appeal?
An emergency appeal is when Texas Children’s Health Plan has to make a decision quickly based on the condition of your health and taking the time for a standard appeal could put your life or health at risk.

What happens if the health plan denies the request for an emergency appeal? How long does an emergency appeal take?
Requests for emergency appeals can be oral or written. When we get your request for an emergency appeal, we will decide if your appeal requires a fast review. If we decide that your appeal does not need a fast review, we will let you know by phone or mail within 2 calendar days. Your appeal will then be a regular appeal. That means we will finish reviewing it in 30 days. If we decide that your appeal does need an expedited review, a decision will be made within 72 hours after receipt of the request.

If you are currently hospitalized or experiencing a medical or dental emergency, a decision will be made within one business day after receipt of the request. You or your representative can ask for an extension of 14 days. Texas Children’s Health Plan can also ask for an extension if we need to get additional information. An extension is not applicable to cases of an ongoing emergency or denials of continued hospitalization. We will call you promptly with the decision. We will also send you a letter within 2 business days of the decision.

How do I ask for an emergency appeal?
You can call Member Services at 866-959-2555 and ask for help requesting an appeal. A Member Services Representative is ready to help you.

Does my request have to be in writing?
Appeals must be accepted orally or in writing.

Who can help me in filing an emergency appeal?
You and your child’s doctor can ask for this type of appeal on your behalf.

Can I request an External Medical Review and State Fair Hearing?
You have the option to request an External Medical Review and State Fair Hearing no later than 120 days after the date that Texas Children’s Health Plan mails the appeal decision notice.

Can I request a State Fair Hearing only?
You have the option to request only a State Fair Hearing Review no later than 120 days after Texas Children’s Health Plan mails the appeal decision notice.

What is a State Fair Hearing?
A State Fair Hearing is a chance for you to tell the reasons why you think the services you asked for, but did not get, should be allowed.

Can I ask for a State Fair Hearing?
If you, as a Member of the health plan, disagree with the health plan’s internal appeal decision, you have the right to ask for a State Fair Hearing. You may name someone to represent you by writing a letter to the health plan telling them the name of the person you want to represent you. A provider may be your representative. If you want to challenge a decision made by your health plan, you or your representative must ask for the State Fair Hearing within 120 days of the date on the health plan’s letter with the internal appeal decision. If you do not ask for the State Fair Hearing within 120 days, you may lose your right to a State Fair Hearing. To ask for a State Fair Hearing, you or your representative should either send a letter to the health plan or call Texas Children’s Health Plan Member Services WLS 8360 P.O. Box 301011 Houston, TX 77230-1011 866-959-2555 TTY: 800-735-2989 (Texas Relay) or 7-1-1 You have the right to keep getting any service the health plan denied or reduced, based on previously authorized services, at least until the final State Fair Hearing decision is made if you ask for a State Fair Hearing by the later of: (1) 10 calendar days following the date the health plan mailed the internal appeal decision letter, or (2) the day the health plan’s internal appeal decision letter says your service will be reduced or ended. If you do not request a State Fair Hearing by this date, the service the health plan denied will be stopped. If you ask for a State Fair Hearing, you will get a packet of information letting you know the date, time and location of the hearing. Most State Fair Hearings are held by telephone. At that time, you or your representative can tell why you need the service the health plan denied. HHSC will give you a final decision within 90 days from the date you asked for the hearing.

Can I ask for an emergency State Fair Hearing? If you believe that waiting for a State Fair Hearing will seriously jeopardize your life or health, or your ability to attain, maintain, or regain maximum function, you or your representative may ask for an emergency State Fair Hearing by writing or calling Texas Children’s Health Plan. To qualify for an emergency State Fair Hearing through HHSC, you must first complete Texas Children’s Health Plan’s internal appeals process.

If you need help filing a request for a State Fair Hearing you can call Member Services at 866-959-2555 and ask a Member Advocate to help you.

If you need oral interpretation or written translation of materials, please call STAR Member Services at 866-959-2555, TTY 800-735-2989 (Texas Relay) or 7-1-1. If you have a visual impairment, Texas Children’s Health Plan will provide you with health plan materials in large print, Braille, or on audiotapes.

Can I request an External Medical Review and State Fair Hearing?

If a Member, as a member of the health plan, disagrees with the health plan’s internal appeal decision, the Member has the right to ask for an External Medical Review. An External Medical Review is an optional, extra step the Member can take to get the case reviewed before the State Fair Hearing occurs. The Member may name someone to represent them by contacting the health plan and giving the name of the person the Member wants to represent him or her. A provider may be the Member’s representative. The Member or the Member’s representative must ask for the External Medical Review within 120 days of the date the health plan mails the letter with the internal appeal decision. If the Member does not ask for the External Medical Review within 120 days, the Member may lose his or her right to an External Medical Review. To ask for an External Medical Review, the Member or the Member’s representative may either:

• Fill out the “State Fair Hearing and External Medical Review Request Form” provided as an attachment to the Member Notice of Medicaid Appeal Decision letter and mail or fax it to Texas Children’s Health Plan by using the address or fax number at the top of the form.
• Call Texas Children’s Health Plan at 866-959-2555.
• Email Texas Children’s Health Plan at healthplan@texaschildrens.org.
• Email Texas Children’s Health Plan at healthplan@texaschildrens.org.

If the Member continues with the State Fair Hearing and the State Fair Hearing decision is different from the Independent Review Organization decision, it is the State Fair Hearing decision that is final. The State Fair Hearing decision can only uphold or increase Member benefits from the Independent Review Organization decision.

Can I ask for an emergency External Medical Review?
If you believe that waiting for a standard External Medical Review will seriously jeopardize your life or health, or your ability to attain, maintain, or regain maximum function, you, your parent or your legally authorized representative may ask for an emergency External Medical Review and emergency State Fair Hearing by writing or calling Texas Children’s Health Plan. To qualify for an emergency External Medical Review and emergency State Fair Hearing review through HHSC, you must first complete Texas Children’s Health Plan internal appeals process.
**What are my rights and responsibilities?**

**Member rights**
1. You have the right to respect, dignity, privacy, confidentiality, and non-discrimination. That includes the right to:
   - Be treated fairly with respect and dignity.
   - Know that your medical records and discussions with your providers will be kept private and confidential.
2. You have the right to a reasonable chance to choose a health care plan and primary care provider. This is the doctor or health care provider you will see most of the time and who will coordinate your care. You have the right to change to another plan or provider in an easy manner. That includes the right to:
   - Be told how to choose and change your health plan and primary care provider.
   - Choose any health plan you want that is available in your area and choose your primary care provider from that plan.
   - Change your primary care provider.
   - Change your health plan without penalty.
   - Be told how to change your health plan or your primary care provider.
3. You have the right to ask questions and get answers about anything you do not understand. That includes the right to:
   - Have your provider explain your health care needs to you and talk to you about the different ways your health care problems can be treated.
   - Be told why care or services were not approved and not given.
4. You have the right to agree to or refuse treatment and be involved in treatment decisions. That includes the right to:
   - Work as part of a team with your provider in deciding what health care is best for you.
   - Say yes or no to the care recommended by your provider.
   - Have a candid discussion of treatment options regardless of cost or benefit coverage.
5. You have the right to use each complaint and appeal process available through Texas Children’s Health Plan and through Medicaid, and get a timely response to complaints, appeals, External Medical Reviews, and State Fair Hearings. That includes the right to:
   - Make a complaint to your health plan or to the state Medicaid program about your health care, your Provider, or your health plan.
   - Get a timely answer to your complaint.
   - Use the plan’s appeal process and be told how to use it.
   - Ask for an External Medical Review and State Fair Hearing from the state Medicaid program and get information about how that process works.
   - Ask for a State Fair Hearing without an External Medical Review from the state Medicaid program and receive information about how that process works.
6. You have the right to timely access to care that does not have any communication or physical access barriers. That includes the right to:
   - Have phone access to a medical professional 24 hours a day, 7 days a week to get any emergency or urgent care you need.
   - Get medical care in a timely manner.
   - Be able to get in and out of a health care provider’s office. This includes barrier-free access for people with disabilities or other conditions that limit mobility, in accordance with the Americans with Disabilities Act.
   - Have interpreters, if needed, during appointments with your providers and when talking to your health plan. Interpreters include people who can speak in your native language, help someone with a disability, or help you understand the information.
   - Receive information about the organization, its services, its practitioners and providers, and member rights and responsibilities.
   - Be given information you can understand about your health plan rules, including the health care services you can get and how to get them.
7. You have the right to not be restrained or secluded when it is for someone else’s convenience, or is meant to force you to do something you do not want to do, or is to punish you.
8. You have the right to know the doctors, hospitals, and others who care for you can advise you about your health status, medical care, and treatment. Your health plan cannot prevent them from giving you this information, even if the care or treatment is not a covered service.
9. You have a right to know that you are not responsible for paying for covered services. Doctors, hospitals, and others cannot require you to pay copayments or any other amounts for covered services.
10. You have the right to receive information on Texas Children’s Health Plan, its services, the doctors, hospitals, and others who care for you can advise you about your health status, medical care and treatment, and your rights and responsibilities.
11. You have the right to make recommendations to the rights and responsibility policy.

**Member responsibilities**
1. You must learn and know each right you have under the Medicaid program. That includes the responsibility to:
   - Understand and understand your rights under the Medicaid program.
   - Ask questions if you do not understand your rights.
   - Learn what choices of health plans are available in your area.

6. You must only use NEMT Services to travel to and from your medical appointments.
7. If you have arranged for an NEMT service but something changes, and you no longer need the service, you must contact the person who helped you arrange your transportation as soon as possible.
8. If you think you have been treated unfairly or discriminated against, call the U.S. Department of Health and Human Services (HHS) at 800-368-1019. You also can view information concerning the HHS Office of Civil Rights online at www.hhs.gov/ocr.

What if I need Durable Medical Equipment (DME) or other products normally found in a drug store? Some DME and products normally found in a drug store are covered by Medicaid. For all members, Texas Children’s Health Plan pays for nebulizers, ostomy supplies and other covered supplies and equipment if they are medically necessary. For children (birth through age 20), Texas Children’s Health Plan also pays for medically necessary prescribed over-the-counter drugs, diapers, formula and some vitamins and minerals. Questions? Call 866-959-2555.
For members 21 years of age and older, Texas Medicaid is obligated to consider coverage of medically necessary Durable Medical Equipment (DME) and supplies under the provision called the Home Health DME and Supplies Exceptional Circumstances. This includes items listed as non-covered services in the Texas Medicaid Provider Procedures Manual (TMPPM) or any item of DME and supplies that is not considered a benefit of Medicaid. Home Health DME and Supplies Exceptional Circumstances requests must be pre-authorized. Requests for medically necessary DME and supplies not covered as a benefit under Texas Medicaid should be submitted through the Home Health DME and Supplies Exceptional Circumstances process.

**Fraud and abuse**

**Do you want to report waste, abuse, or fraud?**

Let us know if you think a doctor, dentist, pharmacist at a drugstore, other health care providers, or a person getting benefits is doing something wrong. Doing something wrong could be waste, abuse, or fraud, which is against the law. For example, tell us if you think someone is:

- Getting paid for services that weren’t given or necessary.
- Not telling the truth about a medical condition to get medical treatment.
- Letting someone else use their Medicaid ID.
- Using someone else’s Medicaid ID.
- Not telling the truth about the amount of money or resources he or she has to get benefits.

**To report waste, abuse, or fraud:**

- You can report directly to your health plan:
  - Texas Children’s Health Plan
  - Fraud and Abuse Investigations
  - PO Box 301011, WLS 8302
  - Houston, TX 77230-1011
  - 832-828-1320 or Member Services Hotline
  - 866-959-2555
  - Email: TCHPS@texaschildrens.org
- or call the Office of Inspector General (OIG) Hotline at 800-436-6184 or visit https://oig.hhs.texas.gov/ and click on “Report Fraud”

**To report waste, abuse, or fraud, gather as much information as possible.**

When reporting about a provider (a doctor, dentist, counselor, etc.) include:

- Name, address, and phone number of the provider.
- Name and address of the facility (hospital, nursing home, home health agency, etc.).
- Medicaid number of the provider and facility, if you have it.
- Type of provider (doctor, dentist, therapist, pharmacist, etc.).
- Names and the phone numbers of other witnesses who can help in the investigation.
- Dates of events.
- Summary of what happened.

**When reporting about someone who gets benefits, include:**

- The person’s name.
- The person’s date of birth, Social Security Number, or case number if you have it.
- The city where the person lives.
- Details about the waste, abuse, or fraud.

Terms and Definitions

Appeal - A request for your managed care organization to review a denial or a grievance again.

Complaint - A grievance that you communicate to your health insurer or plan.

Copayment - A fixed amount (for example, $15) you pay for a covered health care service, usually when you receive the service. The amount can vary by the type of covered health care service.

Durable Medical Equipment (DME) - Equipment ordered by a health care provider for everyday or extended use. Coverage for DME may include but is not limited to oxygen equipment, wheelchairs, crutches, or diabetic supplies.

Emergency Medical Condition - An illness, injury, symptom, or condition so serious that a reasonable person would seek care right away to avoid harm.

Emergency Medical Transportation - Ground or air ambulance services for an emergency medical condition.

Emergency Room Care - Emergency services you get in an emergency room.

Emergency Services - Evaluation of an emergency medical condition and treatment to keep the condition from getting worse.

Excluded Services - Health care services that your health insurance or plan doesn’t pay for or cover.

Grievance - A complaint to your health insurer or plan.

Habilitation Services and Devices - Health care services such as physical or occupational therapy that help a person keep, learn, or improve skills and functioning for daily living.

Health Insurance - A contract that requires your health insurer to pay your covered health care costs in exchange for a premium.

Home Health Care - Health care services a person receives in a home.

Hospice Services - Services to provide comfort and support for people in the last stages of a terminal illness and their families.

Hospitalization - Care in a hospital that requires admission as an inpatient and usually requires an overnight stay.

Hospital Outpatient Care - Care in a hospital that usually does not require an overnight stay.

Medically Necessary - Health care services or supplies needed to prevent, diagnose, or treat an illness, injury, condition, disease or its symptoms and that meet accepted standards of medicine.

Network - The facilities, providers, and suppliers your health insurer or plan has contracted with to provide health care services.

Non-participating Provider - A provider who does not have a contract with your health insurer or plan to provide covered services to you. It may be more difficult to obtain authorization from your health insurer or plan to obtain services from a non-participating provider instead of a participating provider. In limited cases, such as when there are no other providers, your health insurer can contract to pay a non-participating provider.

Participating Provider - A Provider who has a contract with your health insurer or plan to provide covered services to you.

Physician Services - Healthcare services a licensed medical physician (M.D. - Medical Doctor or D.O. - Doctor of Osteopathic Medicine) provides or coordinates.

Plan - A benefit, like Medicaid, which provides and pays for health insurance or plan.

Pre-authorization - A decision by your health insurer or plan that a healthcare service, treatment plan, prescription drug, or durable medical equipment that you or your provider has requested, is medically necessary. This decision or approval, sometimes called prior authorization, prior approval, or pre-certification, must be obtained prior to receiving the requested service. Pre-authorization is not a promise your health insurance or plan will cover the cost.

Premium - The amount that must be paid for your health insurance or plan.

Prescription Drug Coverage - Health insurance or plan that helps pay for prescription drugs and medications.

Prescription Drugs - Drugs and medications that by law require a prescription.

Primary Care Physician - A physician (M.D. - Medical Doctor or D.O. - Doctor of Osteopathic Medicine) who directly provides or coordinates a range of healthcare services for a patient.

Primary Care Provider - A physician (M.D. - Medical Doctor or D.O. - Doctor of Osteopathic Medicine), nurse practitioner, clinical nurse specialist, or physician assistant, as allowed under state law, who provides, coordinates, or helps a patient access a range of healthcare services.

Provider - A physician (M.D. - Medical Doctor or D.O. - Doctor of Osteopathic Medicine), healthcare professional, or healthcare facility licensed, certified, or accredited as required by state law.

Rehabilitation Services and Devices - Healthcare services such as physical or occupational therapy that help a person keep, get back or improve skills and functioning for daily living that have been lost or impaired because a person was sick, hurt or disabled.

Skilled Nursing Care - Services from licensed nurses in your own home or in a nursing home.

Specialist - A physician specialist focuses on a specific area of medicine or a group of patients to diagnose, manage, prevent or treat certain types of symptoms and conditions.

Urgent Care - Care for an illness, injury or condition serious enough that a reasonable person would seek care right away, but not so severe as to require emergency room care.
