IX. SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES

I. INTRODUCTION

A. YOUR CHILD'S Coverage under HEALTH PLAN

HEALTH PLAN provides benefits to YOUR CHILD for Covered Health Services under CHIP and determines whether particular health services are Covered Health Services, as described in **Section IX , SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES**, below. If properly enrolled, YOUR CHILD is eligible for the benefits described in **Section IX**. All services must be provided by participating Physicians and Providers except for Emergency Services and for out-of-network services that are authorized by HEALTH PLAN. YOU have a Contract with HEALTH PLAN regarding matters stated in this Section I.A, as more fully described in this Contract.

B. YOUR Contract with CHIP

CHIP has determined that YOUR CHILD is eligible to receive Coverage and under what circumstances the Coverage will end. CHIP also has determined YOUR CHILD'S eligibility for other benefits under the CHIP program.

II. DEFINITIONS

ADMINISTRATOR: The contractor with the State that administers enrollment functions for CHIP Perinatal Program health plans.

- **Adverse Determination:** A decision that is made by US or OUR Utilization Review Agent that the health care services furnished or proposed to be furnished to a CHILD are not medically necessary or not appropriate. This exclusion is an adverse determination and is eligible for review by an IRO (as described in D. External Review by Independent Review Organization).

CHILD: Any child who CHIP has determined to be eligible for Coverage and who is enrolled under this Plan.

CHIP or CHIP Perinatal Program: The Children's Health Insurance Program which provides Coverage to each CHILD in accordance with an agreement between HEALTH PLAN and the Health and Human Services Commission of the State of Texas.

Covered Health Services or Covered Services or Coverage: Those Medically Necessary Services that are listed in **Section IX, SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES**, of this Health Benefit Plan. Covered Services also include any additional services offered by the HEALTH PLAN as Value Added Services (VAS) in **Section IX SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES**, of this Health Benefit Plan.

Emergency Behavioral Health Condition: Any condition, without regard to the nature or cause of the condition, which in the opinion of a prudent layperson possessing an average knowledge of health and medicine:

1. requires immediate intervention and/or medical attention without which a CHILD would present an immediate danger to themselves or others, or
2. that renders a CHILD incapable of controlling, knowing or understanding the consequences of their actions.

Emergency Condition means an Emergency Medical Condition or an Emergency Behavioral Health Condition.

Emergency Medical Condition: A medical condition manifesting itself by acute symptoms of recent onset and sufficient severity (including severe pain), such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical care could result in:

1. placing the patient's health in serious jeopardy;
2. serious impairment to bodily functions;
3. serious dysfunction of any bodily organ or part;
4. serious disfigurement; or in the case of a pregnant woman, serious jeopardy to the health of a woman or her unborn child

Emergency Services and Emergency Care: covered inpatient and outpatient services furnished by a provider that is qualified to furnish such services and that are needed to evaluate or stabilize an Emergency Medical Condition and/or an Emergency Behavioral Health Condition, including post-stabilization care services.

Experimental and/or Investigational: A service or supply is Experimental and/or Investigational if WE determine that one or more of the following is true:

1. The service or supply is under study or in a clinical trial to evaluate its toxicity, safety or efficacy for a particular diagnosis or set of indications. Clinical trials include but are not limited to Phase I, II and III clinical trials.
2. The prevailing opinion within the appropriate specialty of the United States medical profession is that the service or supply needs further evaluation for the particular diagnosis or set of indications before it is used outside clinical trials or other research settings.

WE will determine if this item 2. Is true based on:

- a. Published reports in authoritative medical literature; and
 - b. Regulations, reports, publications and evaluations issued by government agencies such as the Agency for Health Care Policy and Research, the National Institutes of Health, and the FDA.
3. In the case of a drug, a device or other supply that is subject to FDA approval:
 - a. It does not have FDA approval; or
 - b. It has FDA approval only under its Treatment Investigational New Drug regulation or a similar regulation;
 - c. It has FDA approval, but it is being used for an indication or at a dosage that is not an accepted off-label use. Unlabeled uses of FDA-approved drugs are not considered Experimental or Investigational if they are determined to be:
 - (i) Included in one or more of the following medical compendia: The American Medical Association Drug Evaluations, The American Hospital Formulary Service Drug Information, The United States Pharmacopeia Information and other authoritative compendia as identified from time to time by the Secretary of Health and Human Services; or
 - (ii) In addition, the medical appropriateness of unlabeled uses not included in the compendia can be established based on supportive clinical evidence in peer-reviewed medical publications.
 - d. The Physician's or Provider's institutional review board acknowledges that the use of the service or supply is Experimental or Investigational and subject to that board's approval.
 - e. Research protocols indicate that the service or supply is Experimental or Investigational. This item 5, applies for protocols used by the CHILD'S Physician or Provider as well as for protocols used by other Physicians or Providers studying substantially the same service or supply.

III. WHEN DOES AN ENROLLED CHILD BECOME COVERED?

Children enrolling in CHIP for the first time, or returning to CHIP after disenrollment, will be enrolled the 1st day of the next month following completion of the enrollment process. Children covered by private insurance within 90 days of application may be subject to a waiting period which extends for a period of 90 days after the last date on which the applicant was covered under a health benefits plan. CHIP Perinatal Program Members are exempt from the waiting period.

IV. COST-SHARING

No enrollment fees or cost sharing (such as co-pays) are required for CHIP Perinatal covered services.

V. TERMINATION OF CHILD'S COVERAGE

A. Disenrollment due to loss of CHIP eligibility

Disenrollment may occur if YOUR CHILD loses CHIP eligibility. YOUR CHILD may lose CHIP eligibility for the following reasons:

1. "Aging-out" when CHILD turns nineteen;
2. Failure to re-enroll by the end of the 12-month coverage period;
3. Change in health insurance status, i.e., a CHILD enrolls in an employer-sponsored health plan;
4. Death of a CHILD;
5. CHILD permanently moves out of the State;
6. CHILD is enrolled in Medicaid or Medicare.
7. Failure to drop current insurance if child was determined to be CHIP-eligible because health insurance cost under the current health plan totaled 10% or more of the family's net income.
8. Child's parent or Authorized Representative requests (in writing) the voluntary disenrollment of a child.
9. Failure to respond to a request of income verification during month six of the enrollment period (only required for certain families) or if the income information provided indicates that the family's income exceeds CHIP income limits.

B. Disenrollment by HEALTH PLAN

YOUR CHILD may be disenrolled by US, subject to approval by the Health and Human Services Commission, for the following reasons:

1. Fraud or intentional material misrepresentation made by YOU after 15 days written notice;
2. Fraud in the use of services or facilities after 15 days written notice;
3. Misconduct that is detrimental to safe Plan operations and the delivery of services;
4. CHILD no longer lives or resides in the Service Area.
5. CHILD is disruptive, unruly, threatening or uncooperative to the extent that CHILD's membership seriously impairs HEALTH PLAN's or Provider's ability to provide services to the CHILD or to obtain new members, and the CHILD's behavior is not caused by a physical or behavioral health condition.
6. CHILD steadfastly refuses to comply with HEALTH PLAN restrictions (e.g., repeatedly using emergency room in combination with refusing to allow HEALTH PLAN to treat the underlying medical condition).

We will not disenroll a CHILD based on a change in the CHILD'S health status, diminished mental capacity, or because of the amount of Medically Necessary Services that are used to treat the CHILD'S condition. WE will also not disenroll a CHILD because of uncooperative or disruptive behavior resulting from his or her special needs, unless this behavior seriously impairs OUR ability to furnish services to the CHILD or other enrollees.

VI. YOUR CHILD'S HEALTH COVERAGE

A. Selecting YOUR CHILD'S Primary Care Physician or Primary Care Provider

YOU shall, at time of enrollment in the HEALTH PLAN, select YOUR CHILD'S Primary Care Physician or Primary Care Provider (PCP). A female Member may select an Obstetrician/Gynecologist (OB/GYN) to provide Covered Health Services within the scope of the professional specialty practice of the OB/GYN. The selection shall be made from those Physicians and Providers listed in HEALTH PLAN'S published list of Physicians and Providers. YOU have the option to choose as a PCP a Family Practice Physician with experience in treating children, a Pediatrician, or other age appropriate and qualified health care Provider.

YOU shall look to the selected PCP to direct and coordinate CHILD'S care, and recommend procedures and/or treatment.

B. Changing YOUR CHILD'S Primary Care Physician or Primary Care Provider

YOU may request a change in YOUR CHILD'S Primary Care Physician or Primary Care Provider and a change in YOUR CHILD'S OB/GYN. YOUR request must be made to HEALTH PLAN at least thirty (30) days prior to the requested effective date of the change.

C. Children with Chronic, Disabling or Life-threatening Illnesses

A CHILD who has a chronic, disabling or Life-threatening Illness may be eligible to receive services above and beyond those normally provided. If YOUR CHILD is identified as having special health care needs, YOUR CHILD will be eligible for Case Management Services for Children with Special Health Care Needs (CSHCN) through the Texas Department of State Health Services.

A CHILD who has a chronic, disabling, or Life-threatening Illness may apply to HEALTH PLAN'S medical director to use a non-primary Specialist Physician as a Primary Care Physician. The Specialist Physician must agree to the arrangement and agree to coordinate all of the CHILD'S health care needs.

D. Emergency Services

When YOUR CHILD is taken to a Hospital emergency department, free-standing emergency medical facility, or to a comparable emergency facility, the treating Physician/Provider will perform a medical screening examination to determine whether a medical Emergency exists and will provide the treatment and stabilization of an Emergency Condition.

If additional care is required after the patient is stabilized, the treating Physician/Provider must contact HEALTH PLAN. HEALTH PLAN must respond within one hour of receiving the call to approve or deny Coverage of the additional care requested by the treating Physician/Provider.

If HEALTH PLAN agrees to the care as proposed by the treating Physician/Provider, or if HEALTH PLAN fails to approve or deny the proposed care within one hour of receiving the call, the treating Physician/Provider may proceed with the proposed care.

YOU should notify HEALTH PLAN within twenty-four (24) hours of any out-of-network Emergency Services, or as soon as reasonably possible.

E. Out-of-Network Services

If Covered Health Services are not available to YOUR CHILD through network Physicians or Providers, HEALTH PLAN, upon the request of a network Physician or Provider, shall allow referral to an out-of-network Physician or Provider and shall fully reimburse the out-of-network Physician or Provider at the Usual and Customary Charge or at an agreed upon rate. HEALTH PLAN further must provide for a review by a specialist of the same or similar specialty as the type of Physician or Provider to whom a referral is requested before HEALTH PLAN may deny a referral.

F. Continuity of Treatment

The contract between HEALTH PLAN and a Physician or Provider must provide that reasonable advance notice be given to YOU of the impending termination from the Plan of a Physician or Provider who is currently treating YOUR CHILD. The contract must also provide that the termination of the Physician or Provider contract, except for reasons of medical competence or professional behavior, does not release HEALTH PLAN from its obligation to reimburse the Physician or Provider who is treating YOUR CHILD of special circumstance, such as a CHILD who has a Disability, acute condition, or Life-threatening Illness-for YOUR CHILD'S care in exchange for continuity of ongoing treatment for YOUR CHILD then receiving medically necessary treatment in accordance with the dictates of medical prudence.

Special circumstance means a condition such that the treating Physician or Provider reasonably believes that discontinuing care by the treating Physician or Provider could cause harm to YOUR CHILD. Special circumstance shall be identified by the treating Physician or Provider who must request that YOUR CHILD be permitted to continue treatment under the Physician's or Provider's care and agree not to seek payment from YOU for any amount for which YOU would not be responsible if the Physician or Provider were still on HEALTH PLAN'S network. HEALTH PLAN shall reimburse the terminated Physician or Provider for YOUR CHILD'S ongoing treatment for ninety days from the effective date of the termination, or for nine months if YOUR CHILD has been diagnosed with a terminal Illness.

G. Notice Of Claims

YOU should not have to pay any amount for Covered Health Services except for Copayments or Deductibles. If YOU receive a bill from a physician or provider, contact HEALTH PLAN.

H. Coordination of Benefits

Your CHILD'S coverage under CHIP is secondary when coordinating benefits with any other insurance coverage. This means that the coverage provided under CHIP will pay benefits for covered services that remain unpaid after any other insurance coverage has paid.

I. Subrogation

HEALTH PLAN receives all rights of recovery acquired by YOU or YOUR CHILD against any person or organization for negligence or any willful act resulting in illness or injury covered by HEALTH PLAN, but only to the extent of such benefits. Upon receiving such benefits from the HEALTH PLAN, YOU and YOUR CHILD are considered to have assigned such rights of recovery to HEALTH PLAN and YOU agree to give HEALTH PLAN any reasonable help required to secure the recovery.

VII. HOW DO I MAKE A COMPLAINT?

A. Complaint Process

“Complaint” means any dissatisfaction expressed by YOU orally or in writing to US with any aspect of OUR operation, including but not limited to, dissatisfaction with plan administration; procedures related to review or appeal of an Adverse Determination, the denial, reduction, or termination of a service for reasons not related to medical necessity; the way a service is provided; or disenrollment decisions.

If YOU notify US orally or in writing of a Complaint, WE will, not later than the fifth business day after the date of the receipt of the Complaint, send to YOU a letter acknowledging the date WE received YOUR Complaint. If the Complaint was received orally, WE will enclose a one-page Complaint form clearly stating that the Complaint form must be returned to US for prompt resolution.

After receipt of the written Complaint or one-page Complaint form from YOU, WE will investigate and send YOU a letter with OUR resolution. The total time for acknowledging, investigating and resolving your Complaint will not exceed thirty (30) calendar days after the date WE receive YOUR Complaint.

YOUR Complaint concerning an Emergency or denial of continued stay for hospitalization will be resolved in one business day of receipt of YOUR Complaint. The investigation and resolution shall be concluded in accordance with the medical immediacy of the case.

YOU may use the appeals process to resolve a dispute regarding the resolution of YOUR Complaint.

B. Appeals to the HEALTH PLAN

1. If the Complaint is not resolved to YOUR satisfaction, YOU have the right either to appear in person before a Complaint appeal panel where YOU normally receive health care services, unless another site is agreed to by YOU, or to address a written appeal to the Complaint appeal panel. WE shall complete the appeals process not later than the thirtieth (30th) calendar day after the date of the receipt of the request for appeal.
2. WE shall send an acknowledgment letter to YOU not later the fifth day after the date of receipt of the request of the appeal.
3. WE shall appoint members to the Complaint appeal panel, which shall advise US on the resolution of the dispute. The Complaint appeal panel shall be composed of an equal number of OUR staff, Physicians or other Providers, and enrollees. A member of the appeal panel may not have been previously involved in the disputed decision.
4. Not later than the fifth business day before the scheduled meeting of the panel, unless YOU agree otherwise, WE shall provide to YOU or YOUR designated representative:
 - a. Any documentation to be presented to the panel by OUR staff;
 - b. The specialization of any Physicians or Providers consulted during the investigation; and
 - c. The name and affiliation of each of OUR representatives on the panel.

5. YOU, or YOUR designated representative if YOU are a minor or disabled, are entitled to:
 - a. Appear in person before the Complaint appeal panel;
 - b. Present alternative expert testimony; and
 - c. Request the presence of and question any person responsible for making the prior determination that resulted in the appeal.
6. Investigation and resolution of appeals relating to ongoing emergencies or denial of continued stays for hospitalization shall be concluded in accordance with the medical immediacy of the case but in no event to exceed one business day after YOUR request for appeal.

Due to the ongoing Emergency or continued Hospital stay, and at YOUR request, WE shall provide, in lieu of a Complaint appeal panel, a review by a Physician or Provider who has not previously reviewed the case and is of the same or similar specialty as typically manages the medical condition, procedure, or treatment under discussion for review of the appeal.

7. Notice of OUR final decision on the appeal must include a statement of the specific medical determination, clinical basis, and contractual criteria used to reach the final decision.

C. Internal Appeal of Adverse Determination

An "Adverse Determination" is a decision that is made by US or OUR Utilization Review Agent that the health care services furnished or proposed to be furnished to a CHILD are not medically necessary or appropriate.

If YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider of record disagree with the Adverse Determination, YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider may appeal the Adverse Determination orally or in writing.

Within 5 business days after receiving a written appeal of the Adverse Determination, WE or OUR Utilization Review Agent will send YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider, a letter acknowledging the date of receipt of the appeal. The letter will also include a list of documents that YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider should send to US or to OUR Utilization Review Agent for the appeal.

If YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider orally appeal the Adverse Determination, WE or OUR Utilization Review Agent will send YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider a one-page appeal form. YOU are not required to return the completed form, but WE encourage YOU to because it will help US resolve YOUR appeal.

Appeals of Adverse Determinations involving ongoing emergencies or denials of continued stays in a Hospital will be resolved no later than 1 business day from the date all information necessary to complete the appeal is received. All other appeals will be resolved no later than 30 calendar days after the date WE or OUR Utilization Review Agent receives the appeal.

D. External Review by Independent Review Organization

If the appeal of the Adverse Determination is denied, YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider of record have the right to request a review of that decision by an Independent Review Organization (IRO). When WE or OUR Utilization Review Agent deny the appeal, YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider will receive information on how to request an IRO review of the denial and the forms that must be completed and returned to begin the independent review process.

In circumstances involving a Life-threatening condition, YOUR CHILD is entitled to an immediate review by an IRO without having to comply with the procedures for internal appeals of Adverse Determinations. In Life-threatening situations, YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider of record may contact US or OUR Utilization Review Agent by telephone to request the review by the IRO and WE or OUR utilization review agent will provide the required information.

When the IRO completes its review and issues its decision, WE will abide by the IRO's decision. WE will pay for the IRO review.

The appeal procedures described above do not prohibit YOU from pursuing other appropriate remedies, including injunctive relief, declaratory judgment, or other relief available under law, if YOU believe that the requirement of completing the appeal and review process places YOUR CHILD'S health in serious jeopardy.

E. Filing Complaints with the Texas Department of Insurance

Any person, including persons who have attempted to resolve complaints through OUR complaint system process and who are dissatisfied with the resolution, may report an alleged violation to the Texas Department of Insurance, P. O. Box 149104, Austin, Texas 78714-9104. Complaints to the Texas Department of Insurance may also be filed electronically at www.tdi.texas.gov.

The Commissioner of Insurance shall investigate a complaint against US to determine compliance within sixty (60) days after the Texas Department of Insurance's receipt of the Complaint and all information necessary for the Department to determine compliance. The Commissioner may extend the time necessary to complete an investigation in the event any of the following circumstances occur:

1. Additional information is needed;
2. An on-site review is necessary;
3. WE, the Physician or Provider, or YOU do not provide all documentation necessary to complete the investigation; or
4. Other circumstances beyond the control of the Department occur.

F. Retaliation Prohibited

1. WE will not take any retaliatory action, including refusal to renew coverage, against a CHILD because the CHILD or person acting on behalf of the CHILD has filed a Complaint against US or appealed a decision made by US.
2. WE shall not engage in any retaliatory action, including terminating or refusal to renew a contract, against a Physician or Provider, because the Physician or Provider has, on behalf of a CHILD, reasonably filed a Complaint against US or has appealed a decision made by US.

VIII. GENERAL PROVISIONS

A. Entire Agreement, Amendment

This Contract, and any attachments or amendments are the Entire Agreement between YOU and HEALTH PLAN. To be valid, any changes to this Contract must be approved by an officer of HEALTH PLAN and attached to this Contract.

B. Release and Confidentiality of Medical Records

HEALTH PLAN agrees to maintain and preserve the confidentiality of any and all medical records of YOUR CHILD or YOUR family. However, by enrolling in HEALTH PLAN, YOU authorize the release of information, as permitted by law, and access to any and all of medical records of YOUR CHILD for purposes reasonably related to the provision of services under this Contract, to HEALTH PLAN, its agents and employees, YOUR CHILD'S Primary Care Physician or Primary Care Provider, participating Providers, outside Providers of Utilization Review Committee, CHIP and appropriate governmental agencies. HEALTH PLAN's privacy protections are described in more detail in its Notice of Privacy Practices. C. Clerical Error

Clerical error or delays in keeping records for YOUR and YOUR CHILD'S Contract with CHIP:

1. Will not deny Coverage that otherwise would have been granted; and
2. Will not continue Coverage that otherwise would have terminated.

If any important facts given to the CHIP about YOUR CHILD are not accurate and they affect Coverage:

1. The true facts will be used by CHIP to decide whether Coverage is in force; and
2. Any necessary adjustments and/or recoupments will be made.

D. Notice

Benefits under Workers' Compensation are not affected.

E. Validity

The unenforceability or invalidity of any provision of this Evidence of Coverage shall not affect the enforceability or validity of the rest of this Contract.

F. Conformity with State Law

Any provision of this Contract that is not in conformity with the Texas HMO Act, and State or federal laws or regulations governing CHIP, or other applicable laws or regulations shall not be rendered invalid but shall be construed and applied as if it were in full compliance with the Texas HMO Act, and State or federal laws or regulations governing CHIP, and other applicable laws or regulations.

IX. SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES

These health services when medically necessary must be furnished in the most appropriate and least restrictive setting in which services can be safely provided; must be provided at the most appropriate level or supply of service that can safely be provided and that could not be omitted without adversely affecting the Member's physical health or the quality of life.

Emergency Care is a covered CHIP service and must be provided in accordance with **Section VI. D. Emergency Services**. Please refer to **Section II Definitions**, for the definition of "Emergency Condition" and the definition of "Emergency Services and Emergency Care" to determine if an Emergency Condition exists.

There is no lifetime maximum on benefits; however, 12-month, enrollment period or lifetime limitations do apply to certain services, as specified in the Schedule of Benefits.
