## How to select Texas Children's Health Plan

**STEP 1** Find your enrollment form.

**STEP 2** Write **Texas Children's Health Plan** under "Health Plan Name" as your **1<sup>st</sup>** choice for each person being covered.

**STEP 3** Pick a main doctor.

1. Find your doctor listed in the pages marked with the **ORANGE** tabs.
2. Then under "Primary Care Provider Name" write the name of your 1<sup>st</sup> and 2<sup>nd</sup> choice for doctors for each person being covered.
3. If you are having trouble finding your doctor, call us at **1-800-659-5764** or **832-828-1003**.

**STEP 4** Fill out the rest of the form. Make sure you sign and date it. Mail it in the return envelope that was provided.

## Tips for picking a provider

- Look for your current doctor in the Index of Primary Care Providers at the back of this book. If you can't find your doctor, call us and we will help you. We add doctors all the time.
- If you are picking a new doctor, we have them listed by city. Look for things like special hours or languages spoken. Many of our doctors offer after-hours appointments.
- You may pick a clinic as your doctor. Look under the **ORANGE** tab for a list of clinics.
- You will need to have a doctor or provider written on the enrollment form for each family member being covered, even if it is the same for all.
- If you are dual-eligible for Medicare and Medicaid, you choose your main doctor. We do not assign one to you. Let your service coordinator know if you would like to stay with your current Medicare doctor.
- Members with life-threatening, degenerative, or disabling diseases or conditions can also choose a specialist as their main doctor. The specialist must meet the same requirements as a main doctor. Your personal care plan must then reflect that a specialist is serving as your main doctor.

## Cómo elegir el plan de salud Texas Children's Health Plan

**PASO 1** Encuentra tu formulario de inscripción.

**PASO 2** Escribe **Texas Children's Health Plan** en "Nombre del plan de salud" como tu **1<sup>ra</sup>** opción por cada persona cubierta.

**PASO 3** Elige un médico principal.

1. Encuentra a tu médico en las páginas marcadas con las pestañas **ANARANJADAS**.
2. Luego, debajo del "Nombre del Proveedor de Atención Primaria" escribe el nombre de tu 1<sup>ra</sup> y 2<sup>da</sup> opción de los médicos de cada persona cubierta.
3. Si tienes problemas para encontrar a tu médico, llámanos al **1-800-659-5764** o al **832-828-1003**.

**PASO 4** Completa el resto del formulario. Asegúrate de firmarlo y escribir la fecha. Envíalo por correo en el sobre de respuesta que se te proporcionó.

## Consejos para elegir un proveedor

- Busca a tu médico actual en el Índice de Proveedores de Atención Primaria al final de este libro. Si no puedes encontrar un médico, llámanos y te ayudaremos. Incorporamos médicos todo el tiempo.
- Si estás eligiendo un nuevo médico, los hemos registrado por ciudad. Busca cosas como horas especiales o idiomas hablados. Muchos de nuestros médicos ofrecen citas fuera de horario.
- También puedes seleccionar una clínica como tu médico. Busca una lista de clínicas en la pestaña **ANARANJADA**.
- Tendrás que tener un médico o proveedor escrito en el formulario de inscripción por cada familiar cubierto, incluso si es el mismo para todos.
- Si eres doblemente elegible para Medicare y Medicaid, puedes elegir a tu médico principal. Nosotros no te asignamos uno. Informa a tu coordinador de servicios si te gustaría quedarte con tu médico actual de Medicare.
- Los miembros con enfermedades o afecciones potencialmente mortales, degenerativas o incapacitantes también pueden elegir a un especialista como su médico principal. El especialista también debe cumplir los mismos requisitos que un médico principal. Tu plan de atención personal debe reflejar que un especialista se desempeña como tu médico principal.
